

UNUSUAL USE OF PERFIN

by Reg Everett

The example illustrated below, shown in full size was found on a shoe box of German origin. German members might know of the full name and address of this footwear business, or perhaps you might have some information about "BAMA" to pass on.

Do any members come across any other non-philatelic items bearing perfined names or initials ? If so, I would like to hear of them, so please reply c/o the Editor or direct to 2 Coldnailhurst Avenue, Braintree, Essex
